

TO ENSURE THAT YOU HAVE A SAFE AND ENJOYABLE VACATION AT WEST BAY CAMPING RESORT WE HAVE USED THE GUIDELINES THAT WE WERE GIVEN TO MAKE YOUR VISIT SAFE AND ASSURE THE HEALTH AND SAFETY OF OUR STAFF AND EVERYONE.

COTTAGE GUIDELINES

CHECK IN WILL BE 4:00 P.M. AND CHECK OUT WILL BE 9:30 A.M. This will allow us more time to sanitize both inside and outside of your cottage.

BEDDING

Please bring your own pillows and blankets. We are trying to limit exposure to the virus for our guests and our staff. Sheets will be provided and must be removed by you prior to leaving and placed in the basket and set outside. One set of towels per guest will be in the cottage. If you are staying a week, they may be exchanged mid week. We encourage you to bring towels with you. We will provide bathmats, kitchen towels and pot holders. If you are unable to bring your own pillows and blankets, please let us know ahead of time and we will accommodate you. We strongly recommend you bring hand sanitizer, gloves and wipes or spray with you to use on outdoor furniture. Please put used wipes in the garbage cans provided at the cottage.

LEAVE NOTHING BEHIND

In years past, guests have left items they did not use or did not want to take home with them behind. Everything must be taken home when you leave the cottage. All utensils will be sanitized when you leave but you need to wash all dishes and put them away before you leave. Bleach will be provided in the cabin so you will be able to sanitize dishes and pots and pans before using. Garbage cans are provided at the cottage and you will need to empty them and take the garbage to the dumpsters located at the entrance to the park. Both garbage and recycle dumpsters are there. Recycle items need to be put in the dumpster out of a bag and all boxes must be flattened and placed in the dumpster. If you have beach toys that you are not going to use, they must be taken with you as we can not put them in our dumpsters. If garbage or other items are left in the cabin a charge will be placed on your credit card. Be prepared to leave a credit card number with the desk when you arrive.

Thank you in advance for your understanding and help during these difficult times. We are in this together and want to keep everyone safe and healthy.
